

Anatomy Workshop

HELD IN CONJUNCTION WITH NOTRE DAME MEDICAL SCHOOL, SYDNEY AND UTS DEPT OF ANATOMY, WITH ASSISTANCE FROM THE SCHWARTZ FOUNDATION.

We wish to inaugurate a weekend workshop, where in groups of four, you will be dissecting specimens of the head & neck, in a course specifically designed

for procedures involving these areas (brow lift, blepharoplasty, facelift) i.e. facial anatomy, in particular the facial nerve.

The course will be run by:

Dr. Craig Adams, Head of Anatomy ND and UTS

with assistance from:

Dr Jerry Schwartz, Senior Lecturer in Anatomy ND and UTS

Dr. Joseph Tiong, Lecturer in Anatomy ND and UTS

▶▶▶ **Cost: \$2,500** (but 20% discount to registrar trainees. If you wish a smaller group for your specimen, you must pay proportionally more).

When: Sat & Sun December 08 and 09, 2007

Where: University of Technology, UTS Faculty of Science bldg #4, cnr Harris & Thomas Streets, Broadway NSW 2007

(proceed to Surgical Anatomy Workshop, level 3).

What do I do?

Since the course is strictly limited, applicants are accepted on a first come first serve basis. A deposit of \$1000 is needed to reserve your spot (fully refundable until Nov 15), and the balance by Nov 15, 2007. Cheques to the Schwartz Foundation, PO Box 850, Bondi Junction NSW 2022

CME points are being apply for and awaiting approval with ACCS and RACGP

Discounted accommodation has been arranged at the adjacent Mercure Sydney for the duration of the workshop.
