

THE AUSTRALASIAN COLLEGE OF PHLEBOLOGY

15th Annual Scientific Meeting

6 - 11 May 2012

Sebel Hotel, Cairns, Australia

Dear Colleagues and Friends,

On behalf of the Organising Committee it is my great privilege and pleasure to invite you to Cairns, Australia, for the 15th Annual Scientific Meeting (ASM) of the Australasian College of Phlebology (ACP). We have put together a stimulating scientific program with high quality keynote and symposium lectures that will highlight the latest scientific advances in our field. The three day ASM includes keynote lectures, original papers, panel discussions and the popular 'Controversies in Phlebology' key-pad interactive debates. As usual, the Program's emphasis is on good science and evidence-based medicine.

You may also wish to enrol in one of the additional courses and workshops:

- Sclerotherapy Course (pre ASM) covering all aspects of sclerotherapy
- One day Diagnostic Imaging Ultrasound Workshop (post ASM)

As past delegates have come to expect the ASM will offer a great social program including the Welcome Party and the Conferring Ceremony and Gala Dinner.

I look forward to seeing you all in Cairns, Australia!

Kurosh Parsi

President, Australasian College of Phlebology

The keynote speakers confirmed include:

Prof. Ken Myers, Phlebologist and Vascular Surgeon, AUS

Prof Andre van Rij, Phlebologist and Vascular Surgeon, NZ

Prof. Philip Coleridge Smith, Phlebologist and Vascular Surgeon, UK

Prof. Alun Davies, Phlebologist and Vascular Surgeon, UK

Dr Ted King, Phlebologist, USA

Prof. Takashi Yamaki, Dept of Plastic and Reconstructive Surgery, Tokyo Women's Medical University, Japan

Jean-François Uhl M.D, Vascular Surgeon, France
