

Is it time for a change of scenery? Due to overwhelming demand we are looking at expanding our team. We are seeking a registered and experienced Cosmetic Surgeon to join our team in Melbourne. We are open to the possibility of consulting on a part time or full time basis.

Procedures we currently offer – liposuction, breast surgery, facial surgery, eye surgery, ear surgery, vaginal surgery, tummy tuck, small dermatologist procedures such as mole removal & excision. Plus non surgical treatments – dermal fillers, anti wrinkle treatments, laser rejuvenation and vein treatments. We would also be happy to add to our list of services.

We have been established since the 1980's and are a leading Cosmetic Surgery Clinic located in Melbourne. We take pride in offering a positive and individualised experience for each patient, from the moment they walk through our front door to the moment they leave.

We have created a modern and state of the art environment that is pleasant for patients and our valued team. We offer a supportive and encouraging environment, where each one of our team are treated with respect and appreciated for the effort and dedication they display.

Please send your resume to jobs@meclinic.com
