## WELCOME TO IMCAS ASIA!

The meeting where Asian expert practitioners and colleagues from all over the world, updated technology, science and ideas converge to create great value for your everyday practice, either in aesthetic surgery or in cosmetic dermatology.

The academic program will provide you with :

- Research & development as well as emerging technologies sessions.
- Focused 2 or 3-hour teaching courses managed by skilled experts.
- Targeted sessions in aesthetic surgery and cosmetic dermatology.

Come to this second IMCAS ASIA and share with us a unique rich teaching experience!

## Why SINGAPORE?

Located at a geographical vantage point, Singapore is seamlessly connected to almost every part of the world. Singapore is also a city of entertainment in which to unwind and have the time of your life. Look beyond the façade of business and you'll discover a myriad of unforgettable experiences awaiting for you in this dynamic city - rich in contrast and colour but with a harmonious blend of cultures, cuisines, arts and architecture.

IMCAS will welcome you at the SUNTEC Singapore Convention center, a perfect mixture of modern architecture and outstanding facilities. Situated in the Central Business District, the center is 20 minutes from Changi International Airport. Suntec is at the heart of a self-contained, totally integrated events infrastructure - direct access to hotel rooms, retail stores, and restaurants.
