

Cadaver Workshop for Cosmetic Surgeons 2010

4th~6th June 2010,

Seoul St. May's Hospital of Catholic Medical School, Seoul, South Korea

Topic	Whole Body Asian Fresh Cadaver Workshop 2010 For Cosmetic Surgery
--------------	---

Greetings Dear Colleagues,

The Korean College of Cosmetic Surgery in conjunction with Asian Society of Asian Cosmetic Surgery, Corea Aesthetic Forum, and In-Ha University Medical School is holding the Fresh Cadaver Workshop for Cosmetic Surgeons at the catholic University Medical School in Seoul, South Korea.

Aims of this workshop are to educate the cosmetic surgeons of the intimate knowledge of the basic and surgical anatomy, and for the participants to practice cosmetic surgical procedures on fresh cadaver under the direct supervision of an experience cosmetic surgeon. The excitement of this workshop is that you will be able to practice cosmetic surgery on "fresh cadaver" which mimics real human tissue.

All supervisors are well renowned cosmetic surgeons and most are Fellows & Professors of the KCCS. They will provide an undivided attention to your enhancement in anatomical knowledge and also will take you through the common cosmetic surgical procedures that are outlined in the program. This will be in the form of lectures, small group tutorials, and direct supervision.

"Understanding of anatomy is of fundamental importance in Cosmetic Surgery and the ability to practice cosmetic surgical procedures in "fresh cadavers" is of a paramount importance".

I hope you can join us and help us to enhance your cosmetic surgical knowledge and skills.

Scientific Chairman Dong Hak Jung
